PRACTICE INTERVIEW QUESTIONS

BETTER WORK

Review these questions and practice your answers to better prepare for your next interview.

1. Tell me about yourself. -OR- Tell me about your professional experience and highlight any key responsibilities. (Both of these questions are great opportunities to tell the interviewer anything you want them to know that will show what a great candidate you are.)
2. What do you consider your most significant weaknesses?
3. Give me an example of a time when you motivated others.
4. Review the last two weeks in your mind. When were you at your best -- engaged and productive?
5. What types of people do you prefer to work with?
6. Where do you see yourself in 5 years?
7. Describe a situation in which you “did all the right things” and were still unsuccessful. What did you learn from the experience?
8. Based on what you know about this job, why do you feel this position is a good match for you?
